

walk
balance
put in socks & shoes
clip nails
pick at dirt under nails
paint nails
nails scratch
climb into lofted bed
never look at
dig into dirt
wash in shower
take off socks & shoes

fit into shoes
bend forward when squatting, crawling
stand up on when reaching
grasp dropped clothes
forget about
push something under couch
twirl on
stump on bookshelf
wiggle
rub together
dust dirt and particles off of
massage

touch
tap to a song you like
keep rhythm in band class
extend
crack knuckles
compare with someone else's
finger
lay on couch with
have nightmares about
hide
warm under blanket
put hands under

warm in front of heater
test pool water
land on when jumping
let float when jumping
keep extended in gymnastics
move forward when walking
perch on
point
point to sky
look at on back
pedicure
pee on

*kick embers
play footsie
test potential lover's receptibility with
twirl string around
read about
show to fetishists
let them be sucked on
feel pain from glass shards
curl
wipe ground clear
tap in impatience (with watch)
circles in the air*

clean

cut with clippers

squirm while being tickled

last part to leave ground (walking cont.)

separate with hands

focus energy on first in meditation

pluck weeds while smoking

touch other toes after sex

touch wall while facing corner
